

FCT connector

1mm pitch

[Type]
For FFC, Board-in connector

[Current rating]
1.0A

[Voltage rating]
50V

This connector realizes high cost performance, to be designed with the new connector concept that the conductors of flat cable that was fixed up in the plug housing are directly touched to the base contacts.

RA connector IDC type

2.54mm pitch

[Type]
IDC style

[Current rating]
1.0A (AWG#28)

[Voltage rating]
300V

This connector for 1.27 mm ribbon cable connections, adopting a twin U-slot structure contact with a highly reliable design for the IDC part.

RC connector

2.54mm pitch

[Type]
IDC style, Board-in connector

[Current rating]
1.0A

[Voltage rating]
300V

This is a board-in type insulation displacement connector (IDC) for 1.27 mm pitch flat ribbon cables.
